DO YOU KNOW WHERE YOU'RE GOING TO?

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to, do you know?
Do you get what you're hoping for?
When you look behind you there's no open door.
What are you hoping for, do you know?
Once we were standing still in time,
chasing the fantasies that filled our minds.
Do you know where you're going to?
Now looking back at all we planned,
we let so many dreams slip through our hands.
Why must we wait so long before we see
how sad the answers to those questions can be?
Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to, do you know?

Jerry Goffin

Dedication

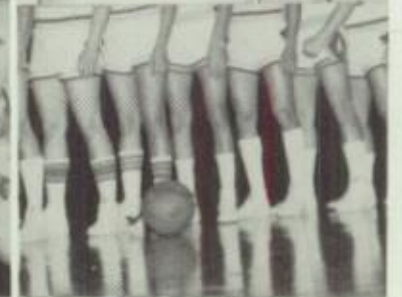

The class of 1983 affectionately dedicates this yearbook to our parents. Thank you so much, Mom and Dad, for all your loving support through the years.

Thank you for your patience. You were always there patiently teaching us to do something, and not getting upset when we did it wrong. Sometimes we had to do it over again and again; from walking, to riding a bike, to driving a car. You patiently put up with us from the 3 o'clock feedings to stumbling in at 3 o'clock. It wasn't always easy for us to understand why some of our friends and someone who sat next to us in math class got a new car for their 16th birthday while we got a new pair of cords. But you patiently explained that we didn't need a car as long as the bus was headed in the same direction as we were.

Thank you for your wisdom. Only a mother would think of putting gym shoes in the oven at 6:00 in the morning so they would be dry for second hour phy. ed.

Thank you for your understanding. Even though it may have been hard to understand at times, you managed somehow; even when we got you out of bed to pull us out of the ditch and whatever else we got ourselves into. Thank you Dad, for taking it so well when the car came home one night, and the only recognizable part left, that wasn't broken, bent, dented, twisted, or mutilated was the key.

But most of all, Mom and Dad, thank you for always being there when we needed you the most.

The Class of 1984 was advised by Mrs. Fiene, Mr. Ganrude, and Mrs. Diehl. They put together a successful prom and enjoyed being locked in the warm YMCA during a c-o-l-d weekend in January. The Class of '83 would sincerely like to wish this year's Juniors the best of luck next year as they take over the "rule of the school."

The Sophomore Class, advised by Mrs. Buchholz, Miss Skoug, and Mrs. Smiley, enjoyed many new experiences this year. The most important of all being the receiving of their priceless "can I have the car tonight" licenses. Members of the Class of '85 received their class rings this year also, but only after digging deep in their pockets! The Sophomores held a successful gift sale in the fall to fatten up their treasury for next year's prom.

The class of 1986, also known as the class of the comet, proved themselves this year as a class that has a lot going for them in their future years at AHS. This hardworking class held the best magazine sale ever and enjoyed themselves at the YMCA in early November. Whether it was in hall artwork or basketball, the freshmen showed us their many talents that have been waiting for discovery. They were advised by Mrs. Oestrich and Mrs. Erickson.

The 8th graders, with their tall girls and short (but cute) boys, have had a fun school year. They enjoyed being "locked-in" at the YMCA with the 7th graders as their guests. The class of 1987 is looking forward to the coming year and their "official entrance" into the Sr. High. Their advisors were Mr. Konichek and Mr. King.

Falling from "supreme rulers" of the elementary school to 7th grade "rug rats" was a drastic change for the class of 1988 during the past school year. They did survive through it all though, and discovered Jr. High to be both fun and challenging. The 7th graders put on a cute homecoming skit and attended many fun activities sponsored by the Jr. High Student Council. Their advisor was Mrs. Sell.

THE STORY

The Augusta Football team had a very successful season this year. Over-all the Beavers finished 8-1 becoming Dairyland Co-Conference champions. After a disheartening loss of O-F in their first game, they came through strongly winning eight straight, narrowly missing the playoffs. Through the firm understanding guidance of our great coaches, the Beavers were molded into a highly successful team. The Seniors, with help from the underclassmen, pulled together and made their parents and fans proud by playing some excellent, hardnosed football.

The football team had to go through many trials and tribulations throughout the season but the Senior pride and spirit overcame all difficulties to make a championship football team.

THE SEASON

From the dim lights of the practice sessions to the glare limelight, the volleyball team had a successful and satisfying year. Under the leadership of Chuck Forseth, the team grew closer together and performed like a well-oiled machine. For the third consecutive year, the team took the first place trophy at Regionals but suffered a disappointing defeat at sectionals to the eventual winner, Seneca. The highlight of the season came towards the end of the year when the team made the six o'clock news on News Center 13. Four years of hard work and determination have paid off for the seniors who carry fantastic memories and a feeling of self-satisfaction with them of their truly awesome high school careers.

The underclassmen got a chance to strut their stuff, while the seniors showed that years of practice pays off. The highlight of the year came at the end of the season when the team beat the Eleva-Strum Cardinals, who were ranked in the state. Despite the team's hard work, several tough teams in the conference left the team with only a 5-13 record.

The Story

The 1983 Augusta girls basketball team had a truly *excellent* season this year. Under the superb guidance of Head Coach, Micheal Vandahey and assistant, Jeffery Jacobson, the girls captured the Diaryland Conference title and the hearts of many Beaver fans. In the tournament play, the Beaverettes won their first two games, which were against Fall Creek and Altoona. The girls Pepin and fought to the end, but came up short by one point. This made their season record an outstanding 20 straight wins and one loss. Towards the end of the season, the girls experienced a lot of publicity, including TV, radio, and the Eau-Claire Leader Telegram. The Class of 1983 would like to extend their congratulations to the seniors and the rest of the team for a super season! Best of luck to next year's team; it promises to be another *great* one!

The Story

Guided by a very enthusiastic Coach King and helped out by a hyper Pete Tremaine, the Augusta wrestlers had a highly successful season. After years of waiting, Coach King and the guys finally earned a conference Championship. Perhaps the biggest win of the year came when Augusta defeated CFC in a highly emotional and close 32-38 win.

Co-Captain, Kevin Johnson and Paul Whaley, provided excellent leadership for the relatively young squad. The squad boasted four Seniors, two Juniors, ten Sophomores, and five Freshmen. The season ended with a 9-1-1 record, and took 3rd in the conference meet and 2nd in their own regional tournament. We also sent five guys to sectionals, a big increase from only one last year. The five competing at Sectionals were: Kevin Johnson, John Halvorson, Mike Marion, Mike Herrick, and Brian Solsrud, with Johnson and Halvorson both taking 3rd.

Congratulations to the team for a job well-done. And good luck to next year's team.

The FFA has had a very fun and successful year. Our three teams; soil judging, dairy judging, and parliamentary procedure, proved themselves to be outstanding in their field. The soil judging team placed 6th in the state, unfortunately missing national competition by 5 points. The dairy judging team took 31st out of 162 teams. Our sophomore specialist, Rita Smith, placed a tremendous 19th out of 486 individuals. The parliamentary procedure team also showed great effort in their competition. We raised funds with our annual fruit and pizza sales; both of which did extremely well. The money we earned helped pay for our trip to the National FFA Convention in Kansas City, MO. Highlights of the trip included an informative speech by Melissa Gilbert, and a performance by country western singer, Barbara Mandrell, who was almost blessed with Brad Strauch's touch. A tradition was broken when a female was elected to the presidency. A senior trip to the western states is also being planned. The senior class would like to give a big thanks to Mr. Tremaine and the FFA Alumni for all the help and support throughout our four years in FFA.

Brains on the Bowl

This year's Quiz Bowl team consisted of three seniors and four freshmen, the latter of which really kept their "elders" on their toes. The team had fun at their after school practices, and at their tournaments with the teachers. Members of the team are pictured at the left. Clockwise: Jessica Wiese, Joe Johnson, John Thode, Joy Linder, Coach Mrs. Silvernail, Brian Solrud, Randy Rineck, and Mary Karolus. Many thanks to Mrs. Silvernail for all her time spent with the Quiz Bowl team.

The fabulous Forensic team had another fantastic year both as individuals and as a team. Under the leadership of the Seniors and two new coaches, the underclassmen perfected their speaking skills. The first meet was UWEC where the team took fourth place. At Menomonie, the squad placed a decisive third. At both UWRF and Delong, the team won the fourth place trophy. The squad also took the Dairyland Conference title again — the third year. The team took State by storm, giving new meaning to the term, "Mad City."

Augusta High School Band members were kept very busy this year under the direction of Miss Jackie Skoug. The highlight of their year was marching at the UW-River Falls homecoming parade. After the parade, the band had fun cheering for the Bluegolds at the game, and enjoyed watching Miss Skoug display her hidden "acrobatic" talents to the crowd.

The band also marched in Augusta's traditional parades. Many concerts were given by the band and were well attended by the community. The pep band played for many of the home athletic events. Selected members of the band took part in the Dorian Dairyland bands. Both of the bands provided these outstanding musicians with a unique learning experience.

The A.H.S. Band would like to sincerely thank the music parents organization for all their support.

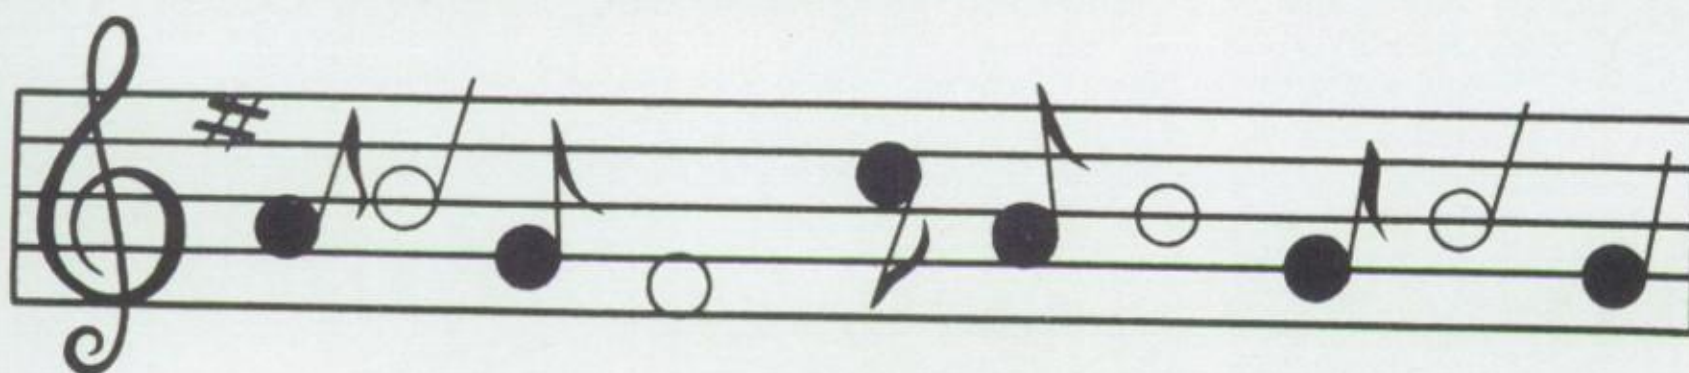

Our Fearful Leader Jackie "Wackie" Skoug.

Mrs. June "Loony" Schmidt
Sr. and Jr. High Choir Director

The concert and swing choirs strengthened their vocal skills this year under the new direction of Mrs. June Schmidt. In February, the choir members participated in a worthwhile Clinic Day. The choirs entertained the community with their annual concerts, besides performing for banquets and Christmas parties. One of the highlights of the year came when the Swing Choir performed with the Brass Choir at the London Square Mall in Eau Claire. At contest, both groups and the individual contestants performed well. Several highly talented seniors were also selected and participated in the Dairyland Choir and the Dorian Choir Festival in Iowa. It was a very exciting and successful year for all the talented singers.

I want to get to know you
better this year. Thanks
for being me in anything
I need help in. (thanks) Maybe
next year we can sit in the same
lunch mode. It was fun making
fun of each other when you had food in your
mouth. I did you. I would get to
know you. Sorry about the
change of pens. It took me a while

started. I think I always finish
